SUBMISSION OF SUBSTITUTE SPECIFICATION UNDER 37 CFR 1.125

BOX NO FEE Amendment
Commissioner for Patents
Washington, D.C. 20231

Sir:

Applicants hereby submit a substitute specification pursuant to 37 CFR 1.125 for the above-identified application before the examination of the application.

The substitute specification includes no new matter and is being submitted in clean form without markings as to the amended material with the paragraphs individually numbered in Arabic numerals. Accompanying the substitute specification is a marked-up copy of the substitute

specification showing the matter being added to and the matter being deleted from the specification of the record.

All changes made from the original specification submitted on March 13, 2001 is supported by the provisional application Serial No. 60/189,516 filed on March 15, 2000 which is incorporated by reference. Since Applicants are replacing the identified material incorporated by reference with the actual text, the replacement is not new matter.

No fee is believed to be due with this submission. However, if Applicants are in error, the Commissioner is authorized to charge Lyon & Lyon Deposit Account No. 12-2475 for any fees necessitated by this filing.

Respectfully submitted,
LYON & LYON LLP
